Joint Doctrine
136 Overcoming Joint Interoperability Challenges

Author and book reviews are protected by copyright. When reprinting, permission is required from the original author and publisher. JFQ online: www.dtic.mil/doctrine/jfq/jfq.htm

Joint Force Quarterly is published by the National Defense University Press for the Chairman of the Joint Chiefs of Staff. JFQ is the Chairman’s flagship joint military and security studies journal designed to inform members of the U.S. Armed Forces, allies, and other partners on joint and integrated operations; national security policy and strategy; efforts to combat terrorism; homeland security; and developments in training and joint professional military education to transform America’s military and security apparatus to meet tomorrow’s challenges better while protecting freedom today. All published articles have been vetted through a peer-review process and cleared by the Defense Office of Prepublication and Security Review.

NDU Press is the National Defense University’s cross-component, professional military and academic publishing house.

The opinions, conclusions, and recommendations expressed or implied within are those of the contributors and do not necessarily reflect the views of the Department of Defense or any other agency of the Federal Government.

Submissions and Communications
JFQ welcomes submission of scholarly, independent research from members of the Armed Forces, security policymakers and shapers, defense analysts, academic specialists, and civilians from the United States and abroad. Submit articles for consideration by email to JFQ@ndu.edu, with “Attention A&R Editor” in the subject line. Or write to:

About the Cover
Capt. Jeffrey Thomason, 44th FS pilot, checks his six before a mission recently on Kadena Air Base, Japan. The 44th closed out 2012 with more than 3,000 sorties, logging more than 5,000 hours of flying, and also provided air superiority for 11 countries across three continents.
